Dear Renaissance Families,

Mayor Walsh announced Friday evening that Boston Public Schools (BPS) will be closed beginning Tuesday, March 17th until Monday, April 27th. We will follow the closure timeline of BPS (**except we are closed tomorrow, Monday, March 16th**) and reopen when they reopen. BPS has stated that they could open sooner and we will closely follow their plan and communicate any changes immediately.

Although we won't be able to learn together in the same space, we expect that students will exercise their brains at home. Our teachers put together schoolwork packets and online resources that were handed out or mailed Friday. Please continue to check our website for updates to our *Learning Resources* link at the top of the page as well as for other updates.

I know this has been a challenging and uncertain time. Please know that although our doors are physically closed we are all here to support each other. Please feel free to reach out to me or to your teachers at any time. This difficult time will pass, and we will continue to thrive as a community....a family!

Sincerely,

A handwritten signature in cursive script that reads "Alexandra Buckmire".
