

Dear Renaissance Families,

We have purchased chromebooks for all BRCPS students. The chromebooks & chargers will be loaned to each BRCPS student and must be returned to the school the day we reopen. All families will need to sign a loan agreement for each student to receive a chromebook. We are awaiting the delivery of those chromebooks. As soon as they are delivered we will notify families with the plan for distribution. If you have a need for a laptop and have not previously contacted your child's teacher please complete this [form](#).

Thank you,

Ms. Buckmire

Head of School
