

April 21, 2020

Dear Renaissance families,

Governor Baker announced today that schools in MA will be closed for the remainder of the school year. The Commissioner of Education announced that additional guidance will be coming later this week for extended remote learning. We will make adjustments to our [Remote Learning Plan](#) if needed based on the guidance. The Commissioner also said there will be guidance forthcoming about how schools will reopen in the fall. We expect that guidance in the next few weeks and will share with families when we receive it.

At this time, it is too early to determine if we will be able to run our summer camp program. We will closely monitor the COVID-19 situation and make a decision in mid-May. The decision will be made based on the safety for students and staff.

If you have not received a chromebook there are devices still available. Please either email your child's teacher, or request one at HOMESUPPORT@BRCPS.SCHOOL.

These have been unprecedented and challenging times for us all. While our physical doors will be closed for the rest of the school year we are here to support our students and families. Please continue to email us with your questions or concerns.

Sincerely,

Ms. Buckmire
