Grade 6 Supply List

2020-2021

Hello Sixth Grade Families,

We are excited to embark on a new year of learning with your children. We know that these are unprecedented times and that learning this year will look and feel different. We wanted to share with you a suggested school supply list so that your child has everything they need in order to have a successful learning experience at home. In addition to the following supplies, please read the message below regarding English Language Arts (ELA).

Thanks for all you do to support your child's learning! We appreciate you!

IMPORTANT ELA MESSAGE FROM MS. SPADE & MR. KESLER:

Hello Families!

We're excited to embark on our learning journey this year with your children to discover great works of literature, poetry, and timely and important informational texts. We've carefully curated the following novel sets which include new works of fiction, as well as some classics that continue to resonate with young people today.

Below you will find novel sets for the entire school year, timed roughly by trimester. Within each novel set, there is one required shared read, as well as opportunities for students to select three additional novels to read that are of interest to them. *Please note that books should not be purchased all at once*, since timing and schedules could change. If you are unable to obtain a copy of your child's choice(s), please reach out to us right away.
